Refer your friend in 3 simple steps

Last updated: February 18th, 2022

Know someone who might be interested in working with us? Send us your referral and, if all goes well, you'll be rewarded.

Simply follow these 3 steps:

- 1) Tell your friend/family member/ex-colleague/acquaintance about an amazing job opportunity at SatoshiLabs Group and encourage them to apply.
- 2) **Contact our HR department** at hr@satoshilabs.com and let them know that you have told a friend/family member/ex-colleague/acquaintance to apply for a job at SatoshiLabs Group. If you put in a good word for them, even better!
- 3) If the person you referred becomes our new colleague (and **stays with us for more than 3 months**), we'll get back to you to arrange the pick-up/delivery of your reward.*

We bet you're dying to know what the reward is, so here it is - **a pack consisting of 3 items:**

- a) **Trezor One** hardware wallet,
- b) a **Coinify voucher worth 400 EUR** for the purchase of crypto,
- c) and **instructions on how to buy Bitcoin** via Coinify.

You help us and we'll help you. We hope to hear from you soon!

*(Note that if cooperation with this colleague ends during or immediately after the 3-month trial period, we'll inform you that, unfortunately, there'll be no reward.)
